

Class Z-3: Agricultural Service Diploma

The Ontario Agricultural Service Diploma is a very prestigious award of merit which is intended to recognize outstanding contributions to an Agricultural Society (Fair Board) or to the agricultural community.

Sponsored by the Ontario Association of Agricultural Societies, the diploma is awarded annually by a member society.

At the February Board of Directors meeting, it was unanimously decided to present the *2018 Diploma to Prescott resident Brian Seeley* in acknowledgement of his contributions to the fair during the past three decades while operating Der Vittle Hutt.
