If you are not currently an Exhibitor, please consider showing your talents at our fair: we need your need your participation.

We would like to remind all Exhibitors to review the rules and regulations of the fair which are printed in the prize book on page 4. Of particular note is that an Exhibitor may only enter one item in a section, all exhibits must have been completed in the last two years and it can only be shown for a maximum of two years. Duplicate entries and items that have been entered more than twice will not be judged.
